Palak Prachi

Mysuru, Karnataka, India | palakmishra842@gmail.com | LinkedIn | GitHub

PROFILE

Computer Science Engineering student with a strong academic record and hands-on exposure to C, C++, Python, HTML and CSS. Interested in software development, Data Structures and Algorithms, and building practical solutions to real-world problems.

EDUCATION

GSSS Institute of Engineering & Technology for Women, Mysuru 2025 – 2029
Bachelor of Engineering in Computer Science and Engineering ***CGPA: 8.625/10***

St. Xavier's Public School 2024
Class XII ***72.4%***

St. Xavier's Public School 2022
Class X ***86.2%***

TECHNICAL SKILLS

Programming Languages: C, C++, Python
Web Technologies: HTML, CSS
Tools: Git, GitHub, VS Code
Core Learning: Data Structures & Algorithms, OOP, Operating Systems
Soft Skills: Communication, Teamwork, Problem Solving

PROJECTS

TaskBridge: Student–Company Micro-Task Platform *Web Development*
Platform Concept

- Proposed a platform connecting companies with students for short-term, skill-based paid tasks.
- Designed a workflow for task posting, student matching, submission, approval, and payment.

ParkFlow: Smart Parking Management System *Web Development*
Smart Mobility

- Proposed a smart parking solution to help shoppers find available parking spaces during peak hours.
- Designed real-time slot availability, booking, and parking navigation, with future scope for IoT-based occupancy detection.
